**SPIRITUAL ADOPTION PROGRAM**

**MONTH THREE – Developing Baby –** Your baby is quite active in the womb now – although the mother won't feel her for another couple of months. If her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move her tongue. She can make a fist if you touch her palm. She is breathing amniotic fluid which continues until birth, although she obtains the oxygen her body needs through the umbilical cord. The baby you are praying for weighs one ounce.

## NOTE...

There are numerous plates, bowls, containers etc that goodies were brought in for First Communion, Confirmation, Children's Mass, Catechism socials & CWL Meetings. Please check, in the church kitchen, and see if any of these are yours.

If they are not picked up in the next few weeks they will be donated.
