### Spiritual Adoption Program ~ Blanketing Unborn Babies with Prayer

#### Happy Birthday—Spiritually Adopted Baby.

Your spiritually adopted baby was born this month—nine months after her mother conceived her. The only change at birth is a change in the external life support system of the baby. She is no different now than she was before birth except that she breathes and eats differently. She is truly a miracle. She began as a 46-chromosome cell and has grown over the past nine months into this unique human baby we now can see. Never before in history, nor ever again, will anyone exist who is exactly like your spiritually adopted baby. Your prayers saved her life. Thank you on behalf of all of the little babies and their mothers for your loving prayers that helped to bring them to birth "so that they might have life & have it to the full!"

Be the beginning of a child's education and family support. By choosing a gift from the Chalice gift catalogue, you

can change a child's life and give a gift that truly makes a difference. Chalice is a Catholic, Canadian charity, with 95% of proceeds going to the poor in our world.
