SPIRITUAL ADOPTION PROGRAM

MONTH THREE – Developing Baby – Your baby is quite active in the womb now – although the mother won't feel her for another couple of months. If her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move her tongue. She can make a fist if you touch her palm. She is breathing amniotic fluid which continues until birth, although she obtains the oxygen her body needs through the umbilical cord. The baby you are praying for weighs one ounce.

Congratulations to *Mikayla Holroyd*
and
Caelum Widdifield
who were united in holy matrimony
at Our Lady of Lourdes
on May 30th, 2026!
May God bless you always!
